Could you provide feedback on what I had sent?

Subject: Draft Allied Web Page Update

Guys:

Here is my first crack at it. It is in plain English.

Please look it over for factual errors and also answer my ???? and fill in my _____ blank spaces. I also need to know who the Allied Paper technical contact is so we can list you along with Patti. If there is an MDEQ person or health contact that you also need to have listed, give me those as well. But, the fewer contacts, the better.

Any photos of recent work can be put into a new photo gallery. If you have any, please send them to me as jpeg attachments.

I will be on AL/holiday/furlough from June 28 to July 8, so there is no rush on this. If you are around, you can work on it while I'm gone so it can be waiting for me when I get back. I will draft a Site Background section when I'm back the week of July 8.
